# FLOS

■ F1090031 Matte Black

Black Flag
Designed by Konstantin Grcic, 2023

75W - 2700K - CRI> 90

Black Flag is an extendable wall light that offers flexibility of illumination thanks to the expanding aluminium arm reaching up to 3.5meters from a wall-mounted frame of the same material. Wall lamp and sculptural centre piece, Black Flag embodies Grcic's industrial design expertise and demonstrates the experimental opportunities of his approach mixed with Flos' technical expertise. The luminaire provides direct and indirect lighting. Greater Up/Down light intensity can be controlled through the dedicated touch buttons featured in the stem. Touch panel control integrated on the lamp arm for On-off and Up/Down dimming unified with on board button. Possibility of wiring from a light point or through an IEC plug. Color temperature 2700°K CRI 90.

Main specifications

EAN	8059607058138
Mounting	Wall
Environments	Indoor dry location
Light Source Type	LED
LED type	LED Module
Power (W)	75
System power (W)	75

Physical

Colour	Matte Black
Canopy dimension (mm)	43
Canopy width (mm)	1200
Canopy height (mm)	43
Net weight (kg)	17
Package volume (m3)	0.08
IP internal	20
