

Estadio

Miguel Milá. 2015
Wall lamp

Milá designed the powerful ring of light for the 1992 Barcelona Olympic Games. The Estadio family is reminiscent of medieval chandeliers found in palaces and cathedrals.

The wall version, consists of an elegant and imposing crown of sparkling glass. The glass blocks, which are held within a tubular metal structure, disperse the light by means of vertical rays and shadows.

General description:

Texturized black metal structure with white matte reflector.

7 glass block shades.

Diffuser in white translucent methacrylate.

Suitable for Outlet Box (American version).

Approximate weight (unpacked):

11 kg / 24.3 lb
