**Description:**

Suspension lamp system crafted in copper or brass, featuring a high-luminance LED light source. It includes a glass lens that focuses the light and enhances its luminous efficiency. There is an optional opal diffuser providing dispersed general lighting. Available in monochrome copper or brass finishes, both with a shiny exterior and a satin interior. It is also sold in a white or textured matte black exterior, combined with a shade interior in satin brass or copper. Recessed (SR) version.
