Nautilus,
Design by Andrea Tosetto

Model Nautilus

Strong design and leading-edge technology come together in this family of lamps characterised by a convex lens that projects the LED light wherever its needed or most preferred, for a truly efficient and personalised result. Versatile and dynamic, either on the *wall* or *ceiling* in a variety of versions and finishes, *Nautilus* lamps satisfy a full range of lighting needs, whether functional or purely decorative, in both residential and professional contexts.

Nautilus	Light source	Structure: Metal	Diffuser: Metal	Code 2700 K	Code 3000 K
