

General Data

Article No.	52200711
Code	RS 51
Product EAN	4008597007118
Customs tariff no.	85365080
Box quantity (pcs.)	400
EAN Box	4008597507113
Gross weight of box in kg	2.669
Length of box in m	0.227
Width of box in m	0.224
Height of box in m	0.17
ETIM class	EC000260
ETIM class name	Starter for lighting
Product status	● Active

Electric Parameters

Suitable for lamp power	4-22 W
-------------------------	--------

Specification

Diameter max.	21.5 mm
Length max.	40.3 mm

Notes on Operation

Notes on operation	for serious connection (or 110/127V)
Lamp	4; 6; 8; 15; 18; 20; 22 W, Ralux long 18; 24W

Notes on Operation

Suitable for lamp power

4-22 W

Notes

Starter for fluorescent lamps in conventional serial connection or one lamp circuit at 100/ 127V. Change with every lamp change.

Please, refer to www.radium.de/recycling for notes on disposal of burned-out lamps as well as lamp breakage.

The "lifespan L70" described for LED lamps indicates the number of hours when the luminous flux has decreased to 70% of its initial value.

The optimal field 'info about service life' contains the frame conditions according to standards based on which the specific service life has been determined. So, for example, "12B50, 50Hz" means that the mean service life (B50) has been determined with a 12h switching cycle at mains (frequency 50Hz), "3B50, HF" is based on a 3h switching cycle at electronic control gear (high frequency).

Special features

General notes

The technical design data in accordance with DIN and IEC. The producer does not take any responsibility for damage to persons or property in case of unsuitable operation or handling of the product. Operating data and dimensions are valid within the usual tolerances. Related lamp types (different bases, mains voltages) may be available on request. Sale and delivery are effected in accordance with the Radium Terms of Delivery and Payment valid on the day of conclusion of contract. Packing units offer economical advantages to the purchase and logistic department. Please match your quantity volume accordingly. For orders of a minimum quantity (clefts) with a lamp model the amount lower than the volume of each packaging unit, we will invoice 10 % additional charge per lamp type. Technical changes and terms of delivery are reserved. Manipulation of any kind to packaging or product is not permissible as this will violate Radium brand rights. Furthermore, technical properties of the product can change to its disadvantage or even destruction. Therefore, Radium cannot be responsible for consequential damages.
