GLO

Glass glares — and reflections

Glo è un'icona della nostra collezione, una sfera di vetro che esalta il riverbero della luce, in un gioco di riflessioni e rimandi tra la lampada e lo spazio o fra le lampade tra loro. La ricca palette e le diverse misure della variante sospesa sono un invito alla composizione.

Glo is an icon of our collection, a glass sphere enhancing the glare of light, in a game of reflections back and forth between the lamp and the space or among the very lamps. The rich palette of colours and the different dimensions of the suspension lamps are a toast to creativity.
