

TAL BERRIER

The BERRIER is a pendant fixture for accent lighting and is thus ideal to create atmospheres. Outstanding technique and the nice round design make this fixture a real beauty.

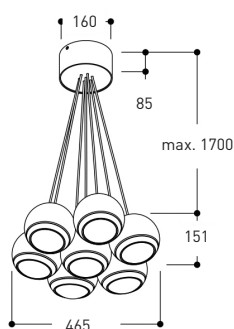

- Input: 230V-50Hz
- Dimmable
- Beam Angle: 60°
- LEDcolor: 2700K
- LED technology provided by the Philips Fortimo™ module
- Warm, nice and soft aligned beam
- Various ceiling roses available, surface, recessed and cluster
