

INGO MAURER

Ringelpez
INGO MAURER UND TEAM 2016

The aluminium ring with integrated dimmable LEDs can be fixed as up- or downlight. Without tools, you can adjust the angle of the ring, the rod or even change the orientation of the LEDs. The rod in carbon fiber can be fixed vertically or at an angle of 15° in the base. There is no visual noise around the slender pointed rod, the cable is inside. Even so, the rod is extendable from 150 to 210 cm. Transformer with slide control. Dimmable.

Light source

LED, 3000 K, 3520 lm, CRI 95, 25 W, EEC A+. With built-in LEDs. The light source is not exchangeable by the user.

Technical data

For 100 - 240 volts, with continuously variable transformer-dimmer.

More info

Available since November 2016.

Colours

The ring with LEDs comes in black or white. The lampshade Frivoloso is separately available in green or white.
