

## VESTA -SW

VESTA without switch in brushed bronze

VESTA is a wall light with a contemporary design with square and rectangular shapes. It can easily be integrated into a modern or classic interior

The adjustable dome is equipped with a high-power LED which ensures an astonishing result with minimum energy consumption. Warm and generous light

There is a model that can be placed on the left side of the bed and another to place on the right side, in order to facilitate the grip of the bar attached to the dome

A reading light and a desk light are associated with this wall light and this model exists with a toggle switch, see [VESTA +SW](#)
