A large saucer of golden light, gently diffusing throughout your room, like the shimmering sound of a gong. As a hanging lamp above a table, the DISK creates a warm and intimate atmosphere, almost as if you were sitting in a secluded alcove. By adjusting the height of the DISK above the floor, you can vary the overall strength of the lighting. Brilliant rays of bright light will flood over all your interior surfaces. The DISK can also be used as a wall or ceiling lamp.
