

# Dry

Dante Donegani & Giovanni Lauda  
2017

IT – Sottile ed elegante come un calice da cocktail, Dry è una lampada a LED da terra e da sospensione in acciaio verniciato, che emette un intenso fascio di luce. Sullo stelo della lampada da terra è inserito un pulsante a sfioro che ne regola l'accensione e l'intensità.

EN – Slim and sleek as a cocktail glass, Dry is a suspended and floor LED lamp in coated steel that emits an intense beam of indirect light upwards. A touch dimmer is inserted in the stem of the floor lamp to adjust the power and intensity.

DE – Schlank und elegant wie ein Sektkelch: Dry ist eine LED Boden- und Hängelampe aus lackiertem Stahl, die einen intensiven, indirekten Lichtstrahl nach oben abgibt. Am Ständer der Bodenlampe ist eine Berührungstaste eingebaut, der das Ein-/Ausschalten und die Regelung der Lichtintensität gestattet.

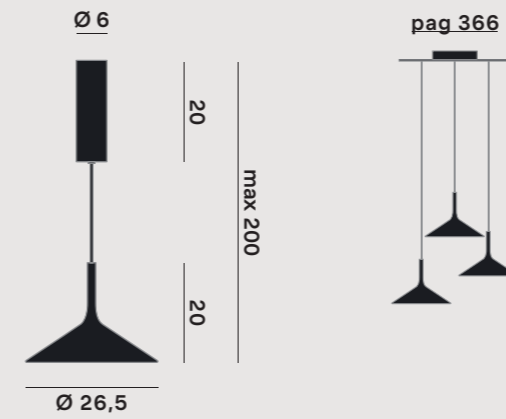

FR – Fin et élégant comme un verre à cocktail, Dry est une lampe à LEDs appuyée au sol et suspendue en acier peint, qui émet un faisceau intense de lumière indirecte vers le haut. Sur la tige de la lampe appuyée au sol est inséré un bouton tactile, qui en règle l'allumage et l'intensité.

ES – Dry es una lámpara de pie y para colgar, de LED, en acero pintado, sutil y elegante como una copa de cóctel, que emite un intenso haz de luz indirecta hacia arriba. En la barra de la lámpara de pie se halla un botón que regula su encendido e intensidad.
