

# TULIP Collection

The ascending curves gives the TULIP pendant lamp a distinctive three-dimensional expression.

The pendant is telescopic which can be extended and also rotated in any direction, giving light where you want the most.

TULIP is available in a brushed Rose Gold and a brushed Titanium.

## General use

- The product is designed for indoor use only.
- The lamp gets hot after prolonged use, therefore, do not cover the product.

## Cleaning instructions

- Wipe surface of lamp shade with a soft cloth
- Do not use any abrasive cleaning tools such as steel wool, scouring sponges or stiff brushes.
- Never use strong cleaning agents such as white spirit, household glass cleaner or cellulose thinners.

## Safety precautions

- The appliance should be installed, connected and tested by qualified electrician and in accordance with local regulations.
- Turn off the power supply before installation or maintenance of the lamp, and make sure that the cables are not squeezed or damaged by sharp edges during installation.
- The lamp should not be covered by insulation blankets or similar materials.

## International warranty

Your product has gone through rigorous testing in order to live up to the highest quality standards. It therefore carries a 7-year warranty from the date of the original retail purchase receipt, covering defects in materials and workmanship when used normally in accordance with the published LIGHT-POINT guidelines.

These guidelines include but are not limited to information contained in technical specifications, safety instructions and quick start guides. LIGHT-POINT is not responsible for damage arising from failure to follow instructions relating to the use of the product.
