Liceo 120

B

Designed for the restoration of the Liceo – Barcelona's grand opera theatre that was engulfed in flames in 1994 –, this lamp incorporates a large source of light at the bottom that focuses a wealth of indirect light upwards. With a shade consisting of a large hollow fireproof bronze mesh attached to a steel shaft, the Liceo lamp looks like a striking ball of fire that irradiates a dramatic luminous effect, lending a touch of grace to the classiest venues.

General description:

Satin brass structure.

Bronze net lampshade.

Circular polished brass canopy.

Suitable for Outlet Box (UL market).

This fixture must be mounted or supported independently of an Outlet Box (UL market).
