

piek cover S + C + L

instructions for use

functional accessories for piek + piek lettura

1. Put the piek cover on the piek luminaire head - picture 1.
 - 1.1 The three threaded holes of the **piek cover S** or **piek cover C** have to be positioned precisely over the groove of the luminaire head, as the groove serves as fixation of the set screws - picture 2.
 - 1.2 Position **piek cover L** in the desired position on the luminaire head - picture 2.
2. Tight set screws flush and evenly through the three threaded holes of the piek cover - picture 3.

care:

Regularly clean piek cover and luminaire from dirt and deposits.
Do not use a high pressure cleaner for cleaning.
